Director of Logistics
 ATTN: Building Planning Staff

IC-50 Quarters Eye

As you know I am now a member of
 the Advisory Council to the Economic and
 Industrial Committee of Fairfax County.
 The only purpose to be served by this as I
 see it is to be alert to developments which
 might affect us and our new building.

I would appreciate it if someone in the
 Building Planning Staff could review this for
 me and give me a short briefing sometime
 before the next meeting of the Council.
